

COVID-19 Parents' Code of Conduct

At Guildford Grove, we will work hard to keep ourselves and the school community safe

To follow the government guidance, I will:

- follow **social distancing rules** based on current government advice
- ensure my **child does not come to school if he/she displays any of the three symptoms of COVID-19** (high temperature, persistent new cough or loss of taste and smell)
- ensure **only one parent/carer drops off and picks up** my child from school ** if a parent/carer is not able to do this, it can be an older/responsible sibling of the child. It ideally should be someone who lives in your household. If not, they must follow 2m social distancing from your child.*
- **keep 2 metres** from other parents/carers, pupils and staff
- enter and exit the school site using the **designated entry and exit points** for my child's class
- **not gather outside of the school gates** with other parents/carers
- ensure my child has **washed their hands before coming to school**
- not enter the school building (including the front entrance) and I will **communicate with the school via e-mail, phone or Studybugs**
- ensure my child **arrives promptly** at school for their designated start time and similarly for their designated end of the day
- ensure you engage with the NHS Test and Trace system.
