PE (including Sports Premium) 2020-2021.

Like all primary schools, we receive an annual sports premium budget. This year the budget has doubled and as a school we will receive £19,090. Due to COVID-19, some plans that have been put in place (e.g competitive sporting opportunities against other local schools, after school clubs ect) have had to be put on hold. This will be reviewed termly.

We spend this money on five key areas...

1. The engagement of all pupils in regular physical activity
2. Developing the PE curriculum and supporting teachers in their teaching of PE
3. Attending a range of competitive sporting events with local schools
4. Raising the profile of PE and sport across the school.
5. Offer a broad range of sports and activities to all pupils.

KEY PRIORITY FOR DEVELOPMENT:

- To implement a PE scheme (Real Legacy) that promotes physical activity inside and outside of school.
- To increase the opportunity for children to participate in physical activity throughout the day.
- Increase participation with level 2 competitions with other schools in the Guildford area in netball, football, rugby, dodgeball multi-skills in order to achieve the Games Mark silver standard.
- To promote a healthy and active lifestyle for all students and staff.

WHAT NEEDS TO BE ACHIEVED?

- A MTP for each year group needs to be established that details LOs that teachers must use to plan lessons from. These LOs should be progressive and ensure that the children are being taught at a level that increases as they progress through the school.
- An increased number of children taking part in school sports. Children to have a range of clubs to choose from that they can join throughout the year.
- Teams across the school (years 3,4,5 and 6) to engage in local competitions and tournaments. FS, 1& 2 to engage in Sportshall athletics competitions.
